About the Program

Water Resources Assistance Program (WRAP) is a home repair ministry program offered through Gwinnett/Walton Habitat for Humanity in partnership with Gwinnett County Water Resources Department. WRAP provides plumbing services for low to moderate-income homeowners who reside within Gwinnett County service area. WRAP assists homeowners who are unable to complete plumbing repairs on their own due to age, finances, or physical ability.

Plumbing Services Offered:

- Plumbing Repairs: services could include repairs such as leaking/broken toilets, leaking fixtures, water heater leaks, and service lines leaks.
- Retrofitting Homes: services could include the retrofit of the entire home with low flow, high efficiency toilets, faucets, and showerheads if the home was built prior to 1992.
- Septic Systems service could include septic system repairs and replacements.

If selected and as needed, homeowners are required to participate in the project as they are physically able and volunteer in a cooperative effort – called sweat equity.
