

Sponsor-a-Stud

and leave your mark on a Habitat Home

Join a Habitat tradition and make a difference in the lives of our partner families by creating a message of hope, encouragement, or inspiration on their new home. For a donation of \$100, you can sponsor a stud (2x4 piece of wood) that will help build a Habitat home. Constructing a Habitat home takes over 300 studs, so every donation counts!

Stud sponsorships are open to everyone – individuals, businesses, groups, organizations, and schools – and are eligible for a tax deduction. As a sponsor, you can pick up the stud(s) and decorate them however you like (with a few exceptions). Whether you want to showcase your company logo, draw a picture, or write a heartfelt message to the family, you have the power to infuse a home with hope.

Choose the number of studs you'd like to sponsor – from 1 for \$100 to 300 for \$30,000 – and decide if you'd like to support the program on a regular basis.

Make your sponsorship a \$100 monthly recurring donation to sponsor a stud each month!

Choose to sponsor all of the studs in one home for \$30,000.

When you sponsor studs, you'll be invited to an exclusive sign-a-stud party where you can see where your stud(s) in the framework of the home. You don't have to sign any or all your studs, but having a stud to sign is a benefit of sponsorship.
